

Another milestone for Suffolk Life

11 December 2007

Suffolk Life, one of the UK's leading providers and administrators of SIPPs, has today announced that it has now established its 10,000th SIPP. Total gross assets of its SIPP business now exceed £2.7 billion

Henry Catchpole, Managing Director of Suffolk Life commented: "I am delighted that we have passed another significant milestone in our development. We have had a record breaking 2007 so far and the launch of our MasterSIPP product has given sales volumes a further boost on the back of our ability to accept self-investment of protected rights. We have already received almost 200 applications for protected rights with the average protected rights investment exceeding £50,000."

In recognition of the 10,000th SIPP Henry Catchpole presented a magnum of champagne to Frank Hinks QC and his adviser Julian Morgan of Advoco.
