

Suffolk Life's MasterSIPP awarded 5 Star Rating from Defaqto

5 February, 2010

Suffolk Life, one of the UK's leading providers and administrators of SIPPs, has been recognised for its continuing excellence in the industry with a 5 Star Rating for its Suffolk Life MasterSIPP.

Launched in 2007, in response to market demand the Suffolk Life MasterSIPP was one of the first SIPPs to allow the self-investment of protected rights.

Defaqto Star Ratings are one of the key marks of quality in the financial industry, aiding consumers and advisers looking for an independent review of retail products.

Over 41% of consumers surveyed by Defaqto said that a product's 'Star Rating' would influence their purchasing decision when buying a financial product.

John Moret, Director of Marketing, comments: "We are delighted that the Suffolk Life MasterSIPP has received a Defaqto 5 Star Rating as recognition of its breadth of features and options available combined at a price that represents value. Advisers can have greater confidence in recommending us to their clients knowing that whilst the MasterSIPP is backed up by 5 stars, delivery of this by our professional, personal service has already been independently rated by Investor in Customers as "outstanding". We are confident that this 5 Star Rating will encourage more advisers to recommend the Suffolk Life MasterSIPP to their clients."
